# About African Women Entrepreneurship Conference, Exhibition & Investment Forums 2023

Africa Exports & Imports Pavilions UK LTD, partner's several organizations to organize the upcoming African women entrepreneurship conference, exhibition, and investment forums. The investment forums are workshop platforms for African Women to find and identify new business opportunities and networking within the African and connect with businesses from other continents.

At the exhibition Centre, AEIFP is the major platform for cooperation between exporters and international buyers and visitors to the fair. Exchange of ideas to export value added products and services within Africa and to other continents.

## Who should! attend?

**Leading Women from the Public and Private Sectors in Africa**

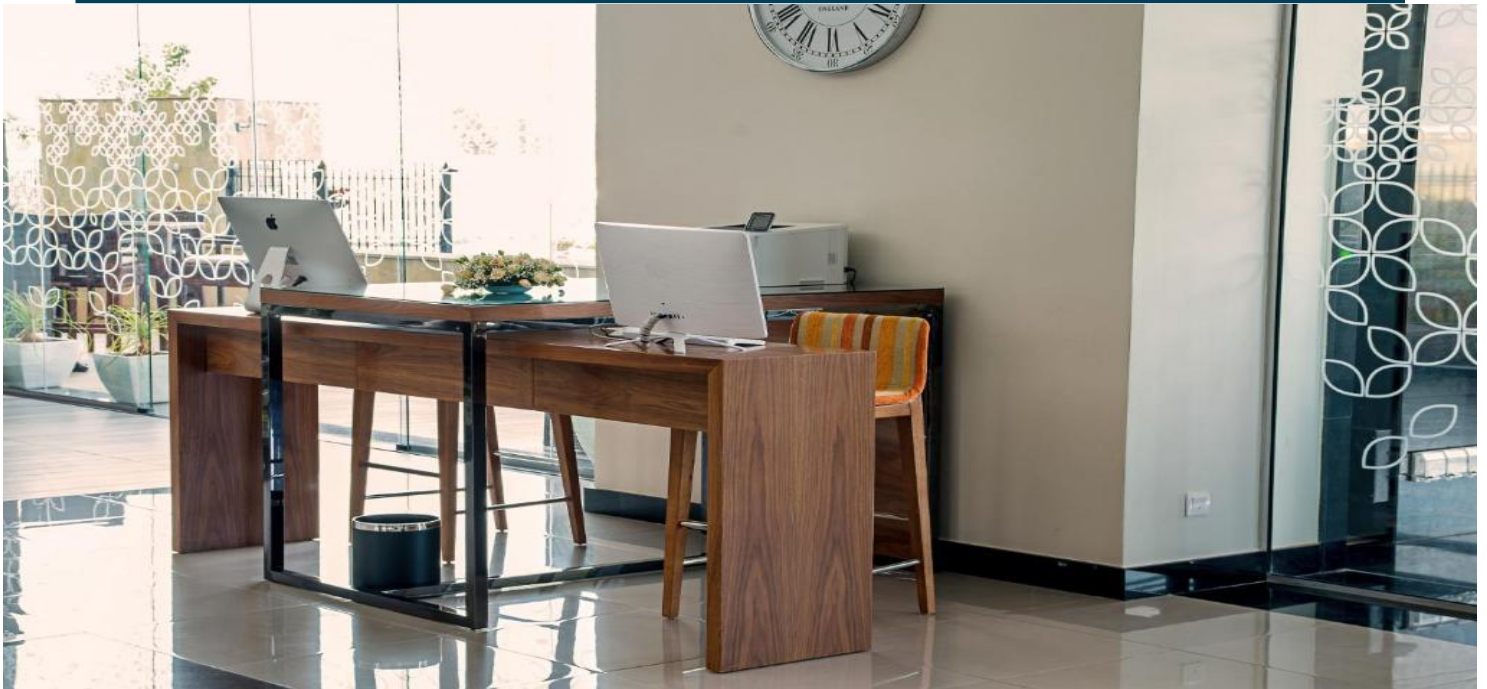

## What to Know About African Women Entrepreneurship Conference?

Small, medium, and micro enterprises are the main instruments of job creation. The emergence and growth of entrepreneurs is a global trend, with many countries working to stimulate women's entrepreneurship development to Bolster economies.

Women's full participation in the economy and society contributes directly to economic growth and prosperity of families, communities, and countries.

- This event offers a platform for SMEs looking to grow and develop their businesses.
- Whether you are looking to start a business or currently running a small business, this event will be very useful to take businesses to the next level.
- It would be a massive and huge investment opportunities networking for African Women.
